GREGORY J. GERARD

October 2026

Florida State University
Herbert Wertheim College of Business
Department of Accounting
Office #4619 WCB
402 W. Gaines Street
Tallahassee, FL 32301
850-644-9115
ggerard@wertheim.fsu.edu

EDUCATION

Ph.D. in Accounting, Eli Broad Graduate School of Management, Michigan State University, East Lansing, MI. 1998.

M.B.A. in Management Information Systems, Katz Graduate School of Business, University of Pittsburgh, Pittsburgh, PA. 1991.

B.A. in Accounting, Westminster College, New Wilmington, PA. 1990.

PROFESSIONAL EXPERIENCE

Florida State University, College of Business, Tallahassee, FL

2023-present	Professor of Accounting
2005-present	Associate Professor of Accounting (Master of Accounting Graduate Program Director, August 2008 – December 2011)
1998-2005	Assistant Professor of Accounting

Michigan State University, College of Business, East Lansing, MI

1994-1998	Graduate Teaching/Research Assistant

Mellon Bank Corporation, Internal Audit Department, Pittsburgh, PA
(Mellon Bank Corporation is now BNY Mellon following a 2007 merger with The Bank of New York Company, Inc.)

1994	Project Manager
1992-1994	Senior Staff Auditor/Auditor-in-Charge
1991	Staff Auditor

CERTIFICATION

Certified Public Accountant (Pennsylvania license obtained in 1993)

COURSES TAUGHT

Florida State University

Undergraduate:	ACG 4401 Accounting Information Systems
	ACG 4901 Directed Individual Study
Graduate:	ACG 5135 Financial Accounting Theory
	ACG 5405 Advanced Accounting Information Systems
	ACG 5458 Emerging Technologies in Accounting and Auditing
	ACG 5466 Enterprise Systems and Accounting
	ACG 5906 Directed Individual Study
	MAcc Accounting Information Systems Bootcamp
Other Graduate:	IT Audit and Assurance classes for International Executive Master of Auditing (IEMA) joint program by Maastricht University, VU Amsterdam, and Florida State University, 2016-present

Michigan State University

Undergraduate:	ACC 201 Principles of Financial Accounting
	ACC 202 Principles of Managerial Accounting
	ACC 321 Accounting Information Systems

AIS Educators Association

"REA Bootcamp" workshop for faculty attending the 2021 AIS Educator Conference (Co-taught with Cheryl L. Dunn)

PAPERS PRESENTED AT CONFERENCES

Demek, K. C., G. J. Gerard, B. Giunta, and R. Pinsker. (2026, June) Same outcome, different process: An eye-tracking study of anchoring and adjustment in neurodivergent versus neurotypical individuals' cyber risk assessments. International Symposium on Accounting Information Systems 2026, East Lansing, MI.

Borthick, A. F., and G. J. Gerard. (2025, February) Making business process, internal control, and data analytics serve the business. 2025 Joint Midyear Meeting of the AIS and SET Sections, Boca Raton, FL.

Demek, K. C., G. J. Gerard, B. Giunta, and R. Pinsker. (2024, November) Using eye tracking to examine potential cyber risk assessment differences in neurodivergent and neurotypical individuals. Florida Behavioral Accounting Research Symposium, Florida Atlantic University.

Borthick, A. F., and G. J. Gerard, (2024, August) Making business process, internal control, and data analytics serve the business. American Accounting Association Annual Meeting, Washington, DC.

Moffitt, K., M. Vasarhelyi, Q. Wu, J. Sun, and G. J. Gerard. (2023, November). Public interest explorer: Harnessing text mining and large language models for enhanced public interest oversight. 58th World Continuous Auditing & Reporting Symposium, Rutgers University, New Jersey.

Boot, W. R., C. L. Dunn, B. P. Fulmer, G. J. Gerard, and S. V. Grabski. (2017, April). UML and multiplicities under a microscope. Annual Midwest Decision Sciences Institute Conference, Grand Rapids, MI.

Boot, W. R., C. L. Dunn, B. P. Fulmer, G. J. Gerard, and S. V. Grabski. (2016, January). UML and multiplicities under a microscope. American Accounting Association – Accounting Information Systems Section Midyear Meeting, Houston, TX.

Boot, W. R., C. L. Dunn, B. P. Fulmer, G. J. Gerard, and S. V. Grabski. (2015, December). UML and multiplicities under a microscope. 7th Annual Pre-ICIS Workshop on Accounting Information Systems, Fort Worth, TX.

Boot, W. R., C. L. Dunn, B. P. Fulmer, G. J. Gerard, and S. V. Grabski. (2015, October). UML and multiplicities under a microscope. International Symposium on Accounting Information Systems, Orlando, FL.

Fulmer, B. P., and G. J. Gerard. (2015, January). Selecting an enterprise resource planning system: An active learning simulation. American Accounting Association – Accounting Information Systems Section Midyear Meeting, Charleston, SC.

Bradford, M., and G. J. Gerard. (2014, January). Using process mapping to reveal business process reengineering and business process improvement opportunities in a raw materials purchasing process. American Accounting Association – Accounting Information Systems Section Midyear Meeting, Raleigh, NC.

Fulmer, B. P., and G. J. Gerard (2014, January). Eye tracking and income statements: A psychometric investigation of accounting domain schemata. American Accounting Association – Accounting Information Systems Section Midyear Meeting, Raleigh, NC.

Dunn, C. L, G. J. Gerard, S. V. Grabski, and S. Boss. (2013, December). Asymmetry in identification of multiplicity errors. SIGASYS 5th Annual Pre-ICIS Workshop on Accounting Information Systems held in connection with the 2013 ICIS in Milan, Italy.

Dunn, C. L., G. J. Gerard, and S. V. Grabski. (2013, January). Cognitive fit and user schemas: An expanded model for problem solving. American Accounting Association – Information Systems Section Midyear Meeting, Fort Lauderdale, FL.

Dunn, C. L., G. J. Gerard, and S. V. Grabski. (2012, December). Cognitive fit and user schemas: An expanded model for problem solving. SIGASYS 4th Annual Pre-ICIS Workshop on Accounting Information Systems, Orlando, FL.

Crook, T. A., and G. J. Gerard. (2009, October). The influence of internal control structure on auditor risk assessments. 2009 Accounting, Behavior, and Organizations (ABO) Research Conference, Seattle, WA.

Desai, N. K., G. J. Gerard, and A. Tripathy. (2009, January). Continuous auditing, external auditors' reliance, and manager choice. American Accounting Association – Information Systems Section Midyear Meeting, Charleston, SC.

Desai, N. K., and G. J. Gerard. (2008, August). The effect of conservatism on auditors' memories for material income increasing versus material income decreasing items. American Accounting Association Annual Meeting, Anaheim, CA.

Desai, N. K., G. J. Gerard, and A. Tripathy. (2008, August). Continuous auditing, external auditors' reliance, and manager choice. 17th Annual Research Workshop on Artificial Intelligence and Emerging Technologies in Accounting, Auditing and Tax, Anaheim, CA.

Desai, N. K., G. J. Gerard, and A. Tripathy. (2007, August). Co-sourcing and external auditors' reliance on the internal audit function. Emerging and Innovative Research session presented at American Accounting Association Annual Meeting, Chicago, IL.

Borthick, A. F., P. L. Bowen, and G. J. Gerard. (2007, June). Modeling a business process and querying the resulting database: Analyzing RFID Data to develop business intelligence. Paper presented at REA-25: A Celebration of the REA Enterprise Ontology. University of Delaware, Newark, DE.

Borthick, A. F., P. L. Bowen, and G. J. Gerard. (2007, January). Modeling a business process and querying the resulting database: Analyzing RFID data to develop business intelligence. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Savannah, GA.

Dunn, C. L., and G. J. Gerard. (2004, January). Tapco project. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Clearwater Beach, FL.

Dunn, C. L., G. J. Gerard, and S. V. Grabski. (2003, December). Visual attention overload: Representation effects on cardinality error identification. Proceedings of the 24th Annual International Conference on Information Systems (ICIS 2003), Seattle, WA.

Dunn, C. L., G. J. Gerard, and S. V. Grabski. (2003, August). Syntactic and semantic understanding of conceptual data models. Paper presented at the Annual Meeting of the American Accounting Association, Honolulu, HI.

Gerard, G. J., and S. V. Grabski. (2002, February). International lumberyards data modeling problem. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Phoenix, AZ.

Dunn, C. L., G. J. Gerard, and J. L. Worrell. (2002, January). Evaluation of system security controls. American Accounting Association – Information Systems Section Midyear Meeting, Orlando, FL.

Dunn, C. L., and G. J. Gerard. (2001, December). Visual attention overload: Representation effects on cardinality error identification. Paper presented at Second International Research Symposium on Accounting Information Systems, New Orleans, LA.

Dunn, C. L., and G. J. Gerard. (2001, August). Representation effects on cardinality error identification. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Atlanta, GA.

Dunn, C. L., and G. J. Gerard. (2001, February). Auditor efficiency and effectiveness with diagrammatic and linguistic conceptual model representations. Paper presented at the Eighth Annual AIS Research Symposium, Phoenix, AZ.

Dunn, C. L., and G. J. Gerard. (2000, December). Graphical versus linguistic conceptual model representations: Search, recognition, and inference performance. Paper presented at the First International Research Symposium on Accounting Information Systems, Brisbane, Australia.

David, J. S., G. J. Gerard, and W. E. McCarthy. (2000, August). Design science: Building the future of AIS. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Philadelphia, PA.

Gerard, G. J. (1997, August). An empirical investigation of the effects of REA conceptual modeling experience on knowledge structure and content. Paper presented at SMAP: Semantic Modeling of Accounting Phenomena Annual Meeting, Dallas, TX.

NON-CONFERENCE PAPER PRESENTATIONS

Boot, W. R., C. L. Dunn, B. P. Fulmer, G. J. Gerard, and S. V. Grabski. (2017, September). UML and multiplicities under a microscope. Paper presented at University of Central Florida.

Dusenbury, R., G. J. Gerard, and J. L. Reimers. (2003, September). When decision makers don't play the odds: The perverse effect of competence. Paper presented at the Accounting Research Colloquium, Florida State University.

Gerard, G. J. (2002, January). Patterned data modeling, designers' memory structures, and database design performance. Paper presented at the MIS Department Colloquium, Florida State University.

Gerard, G. J. (1999, September). Experience effects and the role of knowledge organization in accounting system design. Paper presented at the Cognitive and Behavioral Science Colloquium, Psychology Department, Florida State University.

Dunn, C. L., and G. J. Gerard. (1998, October). REA Overview. Presentation to the Accounting Research Colloquium, Florida State University.

OTHER PRESENTATIONS AT CONFERENCES

Panelist for “Editors panel on GenAI Research in Accounting” at the 2025 American Accounting Association Annual Meeting, August, 2025, Chicago, IL.

Presenter (with E. E. Cohen), “Generative AI in Accounting: Envisioning 2025 & Beyond” at the 2025 American Accounting Association Annual Meeting, August 2025, Chicago, IL.

Presenter (with E. E. Cohen), “Getting the Most from ChatGPT and GenAI: Minimizing the GPTerrors and Maximizing the Benefits” at the 2024 American Accounting Association Annual Meeting, August, 2024, Washington, DC.

Panelist for “Editors panel” at the 2024 Joint Midyear Meeting of the AIS and SET Sections of the American Accounting Association, January 2024, Atlanta, GA.

Presenter for "REA-Relevant Empirical Behavioral Research" workshop at REA-25: A Celebration of the REA Enterprise Ontology, June 2007, University of Delaware, Newark, DE.

Panelist for "Approaches to Teaching AIS" panel at the AIS New Scholar Consortium at the American Accounting Association -- Information Systems Section Midyear Conference, January 2006, Orlando, FL.

Discussant for (1) "Bringing the Object-Oriented Paradigm to Database Accounting," by Debreceny, R. and Bowen, P. L., (2) "Microsoft's Management Reporting: SAP, Data Warehousing & Reporting Tools," by O'Leary, D., and Markus, L., and (3) "Caroline's Candy Shop: An In-Class Illustration of the Revenue Cycle," by Hayes, D. and Reynolds, J. K., at the American Accounting Association Information Systems Section Midyear Meeting, January 2004, Clearwater Beach, FL.

Discussant for "Evaluation of Information Technology by Internal Auditors" by Hermanson, D. R., Hill, M. C., and Ivancevich, D. M., at the American Accounting Association Annual Meeting, August 1999, San Diego, CA.

DISSERTATION COMMITTEES

Outside Member (Rutgers, The State University of New Jersey dissertation), Fangbing Xiong, defended spring 2025 (currently at University of Missouri – Kansas City)
Outside Member (Rutgers, The State University of New Jersey dissertation), Lanxin Jiang, defended spring 2025 (currently at Stony Brook University)
Outside Member (Rutgers, The State University of New Jersey dissertation), Hanxin (Alice) Hu, defended fall 2024 (currently at Kean University)
Outside Member (FSU psychology dissertation), Jong Sung Yoon, defended spring 2015 (currently at University of South Dakota)
Chair, Bachman Fulmer, defended spring 2014 (currently at University of Tampa); Bachman Fulmer won the 2014 AAA/Grant Thornton Doctoral Dissertation Award for Innovation in Accounting Education
Member, Jeremy Douthit, defended spring 2014 (currently at the University of Arizona)
Chair, Eric Gooden, defended summer 2012 (currently at Boise State University)
Member, Bruce Davidson, defended summer 2010 (currently at the University of West Florida)
Member, Mark Mellon, defended summer 2010 (currently at Northern Illinois University)
Member, Kelly Gamble, defended spring 2010 (currently at Valdosta State University)
Member, Linwood Kearney, defended fall 2009 (currently at the University of North Carolina at Charlotte)
Chair, Daniel Selby, defended spring 2009 (currently in private practice, Daniel Selby PLLC)
Chair, Tamara Crook, defended fall 2008, (currently at the University of Tennessee, Knoxville)
Chair, Naman Desai, defended summer 2008 (currently at the Indian Institute of Management, Ahmedabad)
Outside Member (MIS dissertation), James Worrell, defended summer 2008 (currently at the University of Alabama at Birmingham)
Member, Lisa Victoravich, defended summer 2007 (currently at the University of Idaho)

Member, Tina Carpenter, defended spring 2004 (currently at the University of Georgia); Tina Carpenter won the 2006 AAA Auditing Section Outstanding Auditing Dissertation Award.

UNIVERSITY SERVICE

Service to Department of Accounting

Master of Accounting Program Admission and Fellowship Committee, 2005-present
Analytics Task Force, 2018-present
Chair, Non-Tenure Track Specialized Faculty Promotion Committee, 2021-2025
Strategic Planning Committee, 2009-2021, 2022-present
Department Representative, Academic Honor Policy Hearing, 2020, 2021
Faculty Evaluation Committee, 2016-2017
Faculty Advisor for FSU ISACA (Information Systems Audit and Control Association) Registered Student Organization, 2011-2016
Graduate Program Director for Master of Accounting program, fall 2008-fall 2011
Curriculum Committee, member, 1998-2005, 2005-2010 (chair), 2018-2019
Promotion and Tenure Committee, 2005-present, 2024-2025 (chair)
Partnered with Tribridge to use Microsoft Dynamics AX 2012 in the curriculum
ISACA Academic Advocate for FSU, 2011-2023

Service to College of Business

College of Business Core Values Award Committee, 2026-2027
College of Business Ph.D. Alumni Award Committee, 2007-present
College of Business Undergraduate Policy and Curriculum Committee, 2004-2009, 2021-present
College of Business Promotion and Tenure Committee, 2023-2025
College of Business Graduate Admissions Appeals Committee, 2000-2021
College of Business Strategic Planning Committee, 2018-2019
College of Business Technology Committee, 2006-2010; 2011-2018
College of Business Masters Policy Committee, 2008-2011

Service to University

University Faculty Senate, Senator, April 2022-April 2024
University Faculty Senate, Alternate Representative, April 2018-March 2019
University Graduate Policy Committee, 2015-2018
University Graduate Policy Subcommittee to Review Management, 2022
University Graduate Policy Subcommittee to Review Sport Management, 2017
University Graduate Policy Subcommittee to Review College of Law, 2015-2016
University Graduate Policy Subcommittee to Review PhD in Risk Management and Insurance, Department of Risk Management/Insurance, Real Estate and Legal Studies, 2014-2015
University Graduate Policy Subcommittee to Review PhD in Marketing, Department of Marketing, 2007-2008
